Credit Terms: Business and Guarantor agree to the terms and conditions set forth in the Business Charge Card Agreement provided with this application, upon request, and/or provided with the card(s). Use of any card issued pursuant to this application confirms Business's and Guarantor's agreement to those terms and conditions.

Credit Reports: Card Issuer is authorized to obtain credit reports on Business and any Guarantor from consumer reporting agencies and other providers, from time to time, that may be used in connection with (1) this application for credit, (2) extensions of credit on this account; and (3) the administration, review or collection of this account.

Other Information: Business and Guarantor authorize Card Issuer to obtain information from businesses where Business or Guarantor has or had accounts and any reference provided to Card Issuer. If requested, Business and Guarantor will provide Card Issuer with financial statements, including at minimum, a Balance Sheet and Income Statement for the last two years.

Guaranty: Guarantor unconditionally, absolutely and irrevocably guarantees the obligations of Business with respect to the Business Charge Card Agreement, including payment in full of all amounts owing on the account. Guarantor's obligations are primary obligations for which Guarantor is the principal obligor and will not be limited or discharged by an act of Business, including any incapacity or disability, or bankruptcy or insolvency, of Business. Guarantor's liability under this Guaranty will not be affected if Card Issuer modifies any term or condition of the Business Charge Card Agreement, or releases any person or entity from liability or any collateral for the guaranteed obligations. Card Issuer is not required to pursue any remedy or recourse, including against Business or any other guarantor, before enforcing this Guaranty. Guarantor waives all notices and suretyship defenses, including rights to presentment or demand for payment, and notices of dishonor, non-payment and protest. Guarantor will pay to Card Issuer upon demand any amount owed by Business under the Business Charge Card Agreement.

Federal Compliance: Card Issuer complies with Federal Law which requires all financial institutions to obtain, verify and record information that identifies each company or person who opens an account. What this means for Business that completes this application: when an account is opened: Card Issuer will ask for the name, address and other information that will allow Card Issuer to identify Business. Card Issuer may also ask to see other identifying documents for Business.

Other: Card Issuer may contact Business and individuals at any of the telephone numbers that have been provided. If the account is not paid as agreed, Card Issuer may report the liability of Business and any Guarantor to credit bureaus or others that may lawfully receive such information. In addition to the notice methods in the Business Charge Card Agreement, Business agrees that any notice or communication in connection with this application or the Business Charge Card Agreement may be sent by email to an email address provided on this application or another email address normally used by Business, and it shall be considered to be a "writing" and to be "signed" by the party transmitting it for all purposes.
